ISSUE #2 - SEPTEMBER 2024

STAT PAY

Stat Holiday Pay is earned in the 4 pay weeks preceding each Stat.

Example...

Christmas 2024, falls on a Wednesday.

The only days that count towards it are:

Sunday, November 24 – Saturday, December 21... 4 full pay weeks.

You get paid the full stat if you work 15 days in those 4 weeks. If you work 14 or less days, you get $1/20^{\text{th}}$ of a day's pay for each day you worked.
