Respect for Employee Services Staff

The staff at Employee Services (349 Railway Street 4th floor - 604-689-7184) administers benefits on behalf of the Trustees of the ILWU-Employer Association Health and Benefit Plan. Treat them with respect, whether on the phone or in person, as all workers deserve to be respected.

If you have a problem with the interpretation of the terms of the Plan, do not argue with Employee Services' Staff; come see the Secretary Treasurer of the Local.

Anyone reported being rude or abusive to the Employee Services Staff will be charged with Conduct Detrimental to the Welfare of the Union.
