## Membership Year Pins to Be Distributed

**Brother and Sisters** 

We are beginning a new tradition in Local 500 starting at the Wednesday, September 17, 2014 Membership Meeting. The President will be handing out Membership Year Pins. These pins are to recognize the years that a person has been a Union Member.

Before the meeting is called to order President Keserich will be presenting Membership Year pins to those Members who were sworn into Membership in September 1999, September 1994 and September 1989. These will be 15, 20 and 25-year pins.

We also have 5 and 10-year pins to be distributed at future General Membership Meetings. However, there were no quorums at the September 2009 and 2004 meetings. We have 5 - 35 Year pins.

In solidarity

Peter Haines Secretary Treasurer
