

****Centennial Road closure****

Effective November 29 – December 5

10:00 pm – 06:00 am

November 23, 2020

Effective **Sunday, November 29th, 2020** Centennial Road will be closed to all traffic both directions. This road closure will be in effect from **10:00 pm to 06:00 am**, and will remain in place until **Saturday, December 5th, 2020**.

This closure is required to drill one of the overpass pier/columns along Centennial Road to support the construction of the new Centennial Road overpass.

As part of the port authority's Centerm Expansion Project and South Shore Access Project, we are building the Centennial Road overpass to improve port roads and emergency response, and reduce travel delays and congestion for port users and businesses.

Thank you for your patience and support as we complete these important upgrades to port roadways. We apologize for the inconvenience this may cause you, your employees and guests. If you have any concerns or questions, please contact land.ops@portvancouver.com.

Please distribute this notice to your employees, drivers and independent truck drivers.

Thank you for your attention to this notice.

Sincerely,

Land Operations
Vancouver Fraser Port Authority
