ATTENTION CASUALS

RE: LOW HOURS IN THE FIRST 6 MONTHS OF 2021

In mid July 2021, the M&G Committee will be culling the casual boards for workers with low hours.

Due to COVID-19, any worker with less than 50% of their board's average hours for the first 6 months of 2021 will be asked to appear before the M&G around the end of July or beginning of August.

A bulletin(s) listing work numbers will be posted on the Local 500 website at that time. It is your responsibility to attend the M&G meeting as requested on the bulletin.
